Local Fire Department Wins Coveted Trophy

The Greenbelt Volunteer Fire Department and Rescue Squad was awarded the highly coveted "T. W. Venemann Trophy" at the Maryland State Convention of Volunteer Fire Departments in Ocean City last week. The award recognized the local squad's leading efforts on behalf of fire prevention by the National Fireman's Association. Although this is only the second year the Greenbelt squad has entered the competition, it won out over the entire Maryland volunteer system.

Bob Mogul, president of the local squad, and Vince Dutton, fire chief, accepted the trophy for Greenbelt. In a parade later in the day, the trophy was displayed on the Greenbelt float exhibit. The trophy will be on view during the local Independence Day parade and in a local spot after the parade.

Mogul expressed great pride in the squad's achievement during its short volunteer existence and attributed its success to the hard and devoted work of its members and the support of the Greenbelt citizens.

Did you know that Joseph J. Thompson, The Washington Post's Ideal Father of 1957, was a former resident of Greenbelt? Thompson lived at 4-D Parkway, then later in North End, from 1948 to 1953. He was active in the Athletic Club and other organizations. Thompson, his wife Frances, and their three children, Linda, 8, Becky, 5½, and Darlene, 3, live at 4103 Beechwood Rd., University Park. He is a District fireman at Engine Co. 21.

It's a girl for Mr. and Mrs. Bernard Brook, 58-F Crescent. Vicki Darlene made her debut on June 10 weighing eight pounds. She has a sister Linda Marie, who just celebrated her second birthday. Vicki's grandmother, Mrs. Katherine Barber, a former Greenbelter, is here to care for her granddaughters. Mrs. Barber now lives in Washington.

Congratulations to Mr. and Mrs. Jack Crabill, 55-A Ridge, on the arrival of their first child, Bruce Eric was born June 11, and weighed in at seven pounds.

Greenbelt's loss is Boston's gain. Si and Helen Justman will be leaving this week to look for a new home in Boston, Massachusetts. Helen, always active in community affairs, taught creative dramatics, was a former President of the Co-Nursery School, and last year served as Vice President of the Coop. Kindergarten. The Greenbelt Choral Group will certainly mourn the loss of Si's voice. The Justmans have three children, Peggy, Paul, and Seth.

Seventeen boys from Boy Scout Troop 202 left on Sunday for Camp Roosevelt, Willows, Maryland. Until the 29th of June they will participate in outdoor activities, and have, I am sure, a wonderful vacation.

The Leon Kahns, 9-F Ridge, are vacationing at York Beach, Maine with former Greenbelters, Glenn and Muriel Burrows who now reside in Rexford, New York.

Mr. and Mrs. Robert Siehl, 10-J Plateau named him Donald William, and he tipped the scales at 7 lbs. 1 oz.

Birthday greetings to Debra Stair, 6-T Hillside who celebrated her fourth birthday.

Among the many children leaving for Camp Kaufman on Monday were Jane Barnett, Laurie Lazeroff, Susan and Reba Schwimer, Sandra and Mathew Citron, Gerald Hoffman, Gail and Jane Halprin, Sidney Dalis, Howard Ackerman, Martin and Annette Greenbaum, Phyllis Gerton, Elaine Fields.

The James Turkettes, 15-C Laurel, and their three children, James, Teri and Richard had a fine vacation visiting relatives in Columbia, South Carolina.

The Reuben Kramers, 5-H Ridge, have a new telephone number,

Babe Ruth League

In the second game the Bulldogs outlasted the Bears 4-3 with Billy Steele getting credit for the win. Franny Day was credited with 9 strikeouts while picking up the loss for the Bears.

Thursday, June 20, the Bulldogs won their second game 7-0 because the Dragons could not field a full team. On Friday the Lions and Dragons had a tight game for six innings at which time the Lions came up with 3 runs in the seventh to break the tie and win the game 6-3. Hickey, the winning pitcher, struck out nine Bears and Rowe turned in a fine performance for the losing Bears by setting 10 Lions down on strikes. The Bears were defeated again on Monday, June 24, this time the Dragons were victorious. It was a hard fought, low scoring game all the way with 5 Dragons crossing the plate for the winners and 3 Bears scoring for the losers.

There will be no Babe Ruth game played during the week of July 4. The league will resume Monday, July 8, with the Bears playing host to the Dragons.

Cub Pack 746

by Smoky Stover

Several of the Cubs and their families will attend the Indian lore and Legend program at Rock Creek Park, Saturday at 8:30 p.m. They have a wonderful program all year round. The schedule of events is posted on the church basement bulletin board.

Next month (July 13) the Pack will have its annual picnic. There will also be a father-son ball game, other games, and a contest. The contest will be based on the theme of the month, which is Homemade Opera. We have a section of the area around the lake reserved for our own use. Fire places are available, all of the relishes and beverages will be furnished; just bring yourself and eats, and come prepared to have a grand time.

Watch for our Pack in the July 4th Parade. We are going to have two concessions—The Pony Ride and Ring Toss. We need adults to man these concessions; the more we get, the easier it will be for all concerned. Just come on down and give a hand.

NOTE: There will be a Pack Committee meeting next Sunday evening, at the Methodist Church at 7:30 p.m. We have several items to deal with, so BE THERE.

In the Parade, Battery A will be led by Lieutenant Robert C. McHenry. The Parade foot contingents will form on Southway starting at Ridge and extending back toward the 10 court of Southway. The mobile units will form on Ridge at Southway and extend back toward Westway.

Small fry may fall into the Parade at Southway and Crescent at the signal from Parade Marshal Austin Green and may leave the parade, if necessary, at St. Hugh's.

The Parade route will follow Southway to Centerway, through Centerway to Crescent to the Lake. The Reviewing Stand will be at the Center facing the Memorial Plaque.

Various local organizations and civic groups are participating with the Fire Department and Rescue Squad in the festivities at the Lake. This Greenbelt-type local carnival will include athletic events, pony rides, games, bingo, hot dogs, drinks, cotton candy and snowballs.

Parade Marshal, Austin Green can be contacted for further information at the City Office between 8 a.m. and 4 p.m. Inquiries should be made as soon as possible. A special float emphasizing Safety on the Highways will be co-sponsored by Austin Green and Veterans Liquors for participation in the 4th of July Parade.

25th Anniversary Spaghetti Dinner

Twenty-five years ago, on June 26, 1932, a new road was officially opened which linked Branchville, with Telegraph road. It was called the Branchville - Glenn Dale - Defense Highway road at that time, but is now known as Glenn Dale road or Greenbelt road. The new highway was the culmination of years of efforts of county officials, and particularly Joseph Cipriano, who owns a farm on the road and who participated in the ribbon-cutting ceremonies.

In observance of this event a Spaghetti Dinner will be held at the Cipriano farm on Saturday, June 29, from 1 to 6 p.m. Proceeds of the affair are to go to the Greenbelt Democratic Club, an organization that has counted Cipriano among its members for many years.

According to the Sunday Star of June 26, 1932, "... while auto horns tooted and fire sirens shrieked, Miss Betty Mulligan, daughter of W. F. Mulligan, president of the Branchville-Glenn Dale-Defense Highway Road Association, cut a ribbon across the thoroughfare near Glenn Dale. Mr. Mulligan declared the road formally opened and the parade to Branchville began.

"Headed by county police, the procession included scores of county officials, members of the road association, fire companies from Glenn Dale, Branchville and Berwyn Heights and bands from Berwyn and Glenn Dale."

The story also included "... President Mulligan pointed out that the name Branchville-Glenn Dale-Defense Highway road was rather cumbersome and suggested it be called instead the Cipriano short cut."

"Cipriano is a member of the executive committee of the road association, road supervisor for the Lanham district and took an active part in the construction of the new road."

Five years later construction of the city of Greenbelt began.

The Cipriano family has participated in every Independence Day parade in Greenbelt and is well-known by local citizens by his "float"—usually a donkey pulling a wagon loaded with children.

My Town

by Russ Greenbaum

An organization to which my wife and I have belonged during the entire four years we've been here is the Sitters' Pool. It's quite unique in that there are no dues to pay and no meetings to attend. All you do is go to certain homes, sit tight, and keep your mouth shut. (Right away this makes it unattractive for many people here.) The Sitters' Pool is run by a mysterious, invisible board of directors which has promulgated rules that have needed little change since the organization was started way back in—well, no one is quite sure when or who started it or who's on the board. (For all I know it may be true that Mrs. Roosevelt was a charter member.)

The operation of the pool is simple enough. You call for a sitter when you want one, and you pay back the sit at your convenience. The more you request a sitter, the more you're asked to sit in return. Some wives in the Pool, however, have figured out a way to beat this system. They get a sitter when they want to go out, but they get their husbands to do the return sitting. I haven't yet figured out how they work this. However, if you want to know, you might ask my wife.

The person you call for a sitter is a wife who handles the bookkeeping for a month in alphabetical rotation. (If a male voice handles your call, you know she's done it again.) Since there are 30 or more families who are members, it takes a few years for a turn to come up again. The accounting system is this: weekend sitting calls (Friday, Saturday, and Sunday) must be repaid with weekend sits (when you've had four sitters on weekends without paying one back, you don't get anymore until you do); you can accumulate 12 hours in debit sitting hours before you're suspended. (Some people who get this much in debt pick that time to move out of town.)

Sitting time is figured in quarter hours. This was a wise move by the board (whoever they are) and has ended those bloody arguments about the amount of time. Nevertheless, a few sitters will glance at the second hand of their watches when you step across your threshold. (You'd be amazed at the number of quarter-hours we've saved by my wife leaping out of the car as I pull in to park. She might tell you she's pushed, but that is an out-and-out canard.)

Actually, sitting is quite pleasant. The sitter, in fact, is treated like a royal guest. The wife who ordinarily prepares for company by dusting where it shows (no, dear, I'm not talking about you) will have the house ready for a military inspection when the sitter is due. The television set, if it has previously broken down, has been especially fixed for the sitter. Refreshments are provided, even if the husband has had to go dashing madly to the store 10 minutes before to get something.

Instructions are elaborate and given hurriedly in a last-minute rush. This is pure ritual since no one could possibly understand all that is spewed out at you. They sound something like this: "Now the baby probably won't wake up, but if she does, make up a bottle

Business Review

(First of a Series)

by Chuck Boynton

The early part of last November marked the opening of Tanner's dry cleaning establishment next door to our local theater. Tanner's is actually a joint venture—Stanley Whitcup is in partnership with the firm's namesake.

Although neither of the partners are currently residents of Greenbelt, Si Tanner's name might well ring a bell to many residents, having once lived here for almost nine years. Stanley Whitcup is at present located in Hyattsville, but is thinking serious of moving to our fair city—get busy, Greenbelt salesmen!

As for business, we are informed it has been very good, particularly in the dry cleaning end. Many of our readers are probably aware of the special service offered by Tanner's in dry cleaning—if the garment is delivered in their hands by 11-11:30 a.m., it can be received the same day. Some difficulty has been encountered with laundry, however, and it has sometimes been a little late—chiefly due to the fact that it has had to be sent out to other establishments, as no laundry facilities are on the premises. Shortage of help during the hot weather, not at Tanner's, but at the establishments where the laundry has been sent, has caused some delay. This will soon be remedied, however, as Tanner's is making plans for their own laundry facilities, which are expected to be installed by the latter part of July. Not only will this insure faster service, as Tanner's is predicting 3-5 hour shirt laundry work, but, we are informed, it will provide cheaper service—shirts, for instance are expected to be done at five for a dollar.

Tanner's also has an alterations specialist (a local Greenbelter) said to be capable of any task. As to the future, tentative plans for one or two other dry cleaning plants are being formulated for nearby Maryland.

of six parts water, three parts evaporated mulcin, and one part gamma globulin. Margaret—she's six—won't give you any trouble, but if she does, just sing her two choruses of "Toora-loora-loo"—in Russian. The lyrics are written out on her bed table. Sam, give him the phone number where we're going. (It turns out they're going to the movies.) Now, just relax and enjoy yourself. We won't be home late." This last means that they'll be home by one a.m., the witching hour for sitters in the Pool. You must be asked in advance if you want to sit later than this, and you get time and a half, which is almost as good as working for the government.

All in all, it's a wonderful way to save on sitters' fees. Your wife mentions this on the way downtown and suggests that you should therefore splurge a little. I figure I'm ahead if I come out even.

UNDULY BOTHERED

To the Editor:

Recently the GVHC board of directors okayed the Fire Department's request for permission to put an auxiliary siren on top of the heating plant opposite the 3 court of Research.

I realize that our volunteer fire department does an outstanding job of protecting our community; however I think a better location should be chosen for the siren. If it must be put in North End why not place it on North End School or some other more advantageous place than a heating plant so close to our homes.

The GVHC should reconsider the location of the siren in the interest of those North Enders who will be unduly bothered by its unwise placing.

VOLUNTEER NOTES

by Rev. Walter C. Smith, Chaplain
Greenbelt Volunteer Fire Department and Rescue Squad

Since the regular writer of this column is to be out of town for a couple of weeks, he asked if I would do a column for this week. "Just tell them how the Chaplain of the organization feels about the work of the Volunteer Fire Department and Rescue Squad," he said. This is a large order but it gives me an opportunity to pay my respects to a group of unselfish men to whom we all owe a debt of gratitude.

We would not want a swimming pool without a qualified life guard. Just as a pool needs such a person, the community needs those who are willing and able to guard life and property. The Fire Department and Rescue Squad is made up of men dedicated to the conserving of life and property. It is their concern to be ready to dash off at the first call for help.

Why are men willing to spend much time and effort to safeguard the lives and property of their neighbors? Is it a desire to be a grown up kid playing with fire engines and ambulances? Is it the thrill of adventure that awaits you in meeting every new and different situation? Is it a desire to find real companionship with other who share common experiences? Is it a willingness to go out of your way to help a friend or neighbor in need of help? I think these are motivations that affect all men and there is probably a little of each of these things wrapped up in every one of us. But I am sure the dominant motive for most of those who roll out of bed at 2 or 3 o'clock in the morning to answer a call is the desire to be a friend in need.

It is easy to remember the glamorous life guard who stands ready to dive into the pool at the call for help. He is imposing with his bulging muscles and glorious tan. But let us not forget those whose service is just as real and vital—the men who answer the siren or telephone in order that your life may be prolonged and that your property may be protected.

It is a privilege and a pleasure to associate with such a force in the community. Let us give these men the encouragement and support they need as they carry on their work of life saving.

Loftus-Boucher

Mr. and Mrs. Joseph P. Loftus of Greenbelt announce the marriage of their daughter, Katharine Ann, to Mr. Ronald Carrie Boucher, son of Mrs. Mae D. Boucher of Hyattsville.

The wedding took place on June 15 at Saint Hugh's Catholic Church, and a reception followed at the American Legion Lodge in Cheverly.

The bride was gownned in ivory satin and lace, fashioned on princess lines, with a Sabrina neckline and sweep train. She wore her Mother's wedding veil of imported Irish lace, and carried a bouquet of white roses.

Miss Margaret Mary duFief of Washington, D. C. was maid of honor, and the bridesmaids were Misses Dauris Falcone of Norwalk, Connecticut, and Judith and Joan Loftus of Greenbelt, sister of the bride. Junior bridesmaids were Elaine and Lauren Conner of Adelphi, cousins of the groom.

James J. Redmond of University Park was best man, and the ushers were Martin Loftus of Greenbelt, brother of the bride, Edward Nolan of Philadelphia, and William Schrider, Frank Steadman and Raymond Moore, all of Washington, D. C.

Altar boys at the Nuptial Mass were two more brothers of the bride, Gregory and Carroll Loftus. Present in the sanctuary for the ceremony were Rev. Joseph D. Ayd, S.J., of Baltimore, and Rev. Harry J. Sievers, S.J. of Plattsburgh, New York. At the conclusion of the Mass, the personal blessing of His Holiness, Pope Pius XII, was bestowed on the couple and those present.

After a two-week honeymoon in the Adirondacks, Mr. and Mrs. Boucher will reside in Kaywood Gardens, Mount Rainier.

The former Miss Loftus is a graduate of the Academy of Notre Dame and Trinity College. She is presently employed with the Department of the Air Force.

Mr. Boucher, a graduate of Gonzaga High School, served with the United States Army, and is now attending Georgetown University.

Among the out-of-town guests attending the wedding were Honorable (Judge) Thomas J. Boland of St. Louis, Missouri, uncle of the bride, Miss Mary Downing of St. Mary's Kansas, Miss Mary Louise Robinson of Topeka, Kansas. Mr. and Mrs. Louis Dolan of Pearl River, New York, and Mr. and Mrs. Elbridge Hosmer, of Vineland, New Jersey.
